B.Sc. HHA Admissions 2026-29

Important Information for Provisionally Admitted Students

Congratulations on securing **Provisional Admission** to the Institute of Hotel Management, Pusa, New Delhi. We are delighted to welcome you to one of India's premier hospitality institutions.

To ensure a smooth admission and hostel allotment process, please carefully read the following instructions:

1. Physical Reporting for Admission

Reporting Period:

22 June 2026 to 24 July 2026

All provisionally admitted candidates are required to physically report to the Institute within the above-mentioned dates.

Before reporting, candidates must visit the Institute website and carefully review the admission guidelines. Candidates must bring all original documents along with the required photocopies as specified on the Institute website.

Documents Required

Candidates are advised to refer to the Institute website for the latest and complete list of documents required for verification and admission formalities.

Failure to produce the required documents may result in delay or cancellation of admission as per applicable rules.

2. Hostel Allotment Process

To facilitate a convenient hostel allotment process and minimize travel for students and parents, the Institute has planned the following procedure:

Hostel Willingness Form

- A Google Form seeking hostel accommodation preference will be circulated to all provisionally admitted students on **20 June 2026**.
- Students desirous of hostel accommodation must submit their willingness through the form by **22 June 2026**.
- A merit list of Boys hostel and Girl's hostel shall be prepared based on the criteria of merit and category on **23rd June 2026**.

- Interested students may deposit the prescribed hostel fee 95000/- (balance to be paid at the time of physical reporting in case of A/C accommodation) till 30th June online through IHM Pusa online payment portal.
- After completion of these formalities, students may report to the Institute near the commencement of the academic session, i.e., on **23 or 24 July 2026**, thereby avoiding a second visit by parents solely for hostel-related formalities.

3. Students Reporting Early for Admission

Students who wish to complete their admission process well before the commencement of classes are welcome to report to the Institute during the admission period.

In such cases:

- Admission formalities and document verification can be completed.
- Hostel allotment formalities, subject to eligibility and fee payment, can also be completed simultaneously.

However, students should note that:

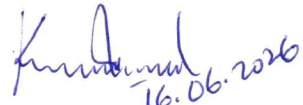

Hostel Occupancy

Students will be permitted to physically occupy and stay in the hostel only from **23 July 2026 onwards**, irrespective of the date on which hostel formalities are completed.

Important Advice

- Regularly check the Institute website for updates.
- Ensure that all documents are complete and in the prescribed format before reporting.

We look forward to welcoming you to the IHM Pusa family and wish you a successful academic journey ahead.
